MEMORANDUM FOR: AD/CSI

SUBJECT : Vulnerability of the OXCART Vehicle

REFERENCE : [REDACTED] dated 20 March 1963

25X1A

1. Reference memorandum discusses a continuation of the [REDACTED] contract on the OXCART vulnerability. I am in agreement with their request for an analysis under single engine conditions and the OSA recommendation seems straightforward.

2. It is recommended that OSI discuss with [REDACTED] [REDACTED] the proposed vulnerability study. Based on this discussion, an extension of the [REDACTED] contract should then be effected.
